AutoDraw

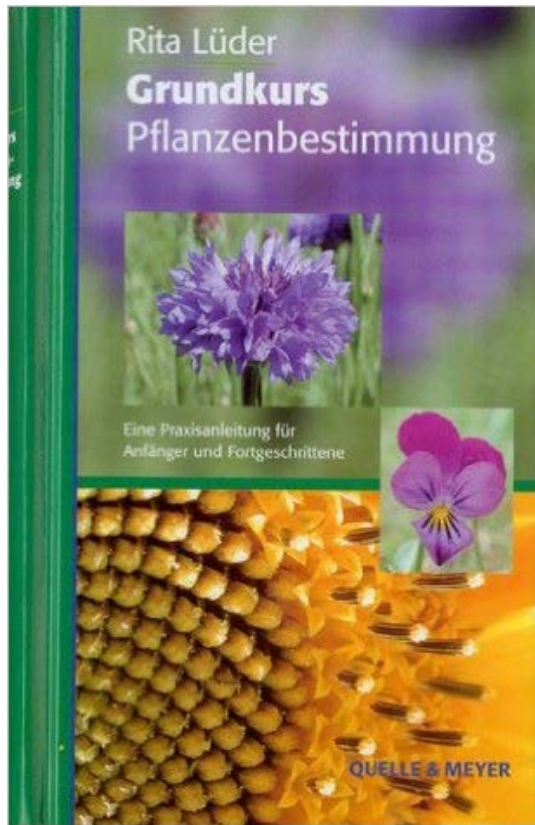

Do you mean:

# Sind Computer intelligent? Beispiel Akinator

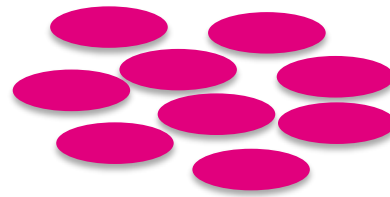

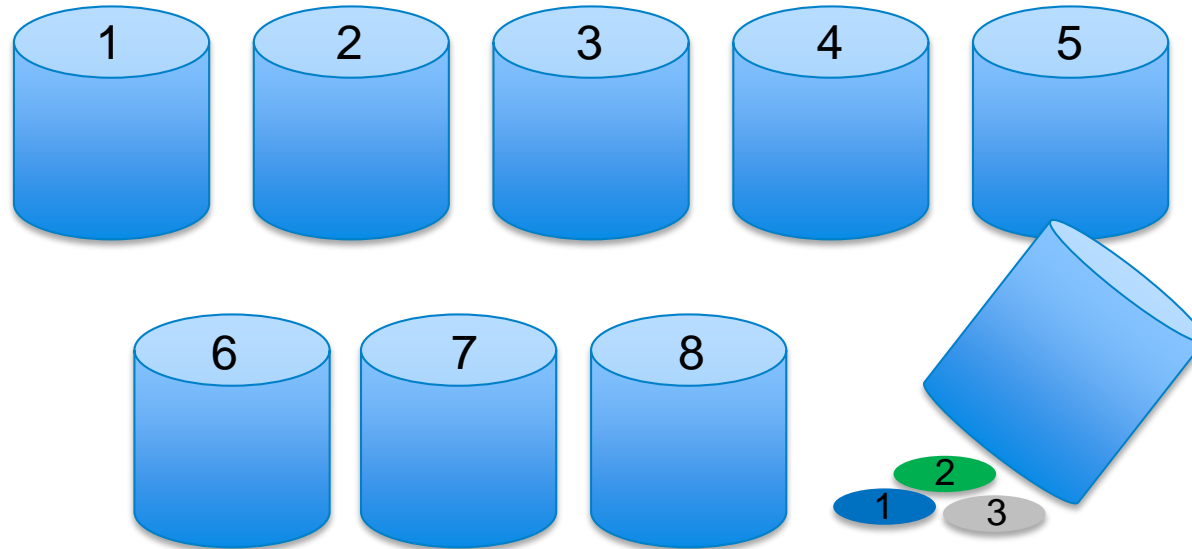

# Sind Computer intelligent? Beispiel Akinator

# Sind Computer intelligent? Beispiel Akinator

The image shows a Scratch project titled "Akinator V.1.0.0" by user "ilayilay". The interface includes a "play" button and a preview of the game's question: "Frage Nr.1: Ist deine Figur weiblich?". Below the question are five response options: "Ja", "Nein", "Ich weiß nicht", "Wahrscheinlich", and "Wahrscheinlich nicht". The game's background features a cartoon genie character in a blue robe and white turban, sitting on a red cushion. The interface also shows a "Deutsch" language selector and navigation links for "Spielen", "Die Geschichte des Akinator", and "Akinator auf deinem Smartp".
